

## STOCK MANAGER

# Take complete control of your stock

Contact Advantage provides the perfect answer to the current economic situation by improving your complete stock management process.

We can significantly:

- Improve stock turn.
- Reduce aged stock.
- Reduce stock charges.
- Improve visibility of stock.

Experience the **Contact Advantage effect.**

### What our customers have said:

“We have reduced stock by half, doubled stock turn and increased profits using less cash. A complete win win.

It is an easy system to interrogate and use for marketing, sales and admin.”
